ICS - Drug Trafficking and Drug Abuse On Board Ship Sixth Edition 2021

This publication provides guidance on how to combat drug trafficking at sea and to recognise the signs of drug use and dependence among crew members. Considered the leading industry publication on the topic, this 6th edition has been fully updated by industry experts to assist shipping companies, Masters and officers, to help prepare, prevent, protect and how to respond when faced with drug trafficking and drug abuse at sea. The guidance contained in this publication demonstrates how to protect the ship and the crew and reduce the risk of drug trafficking occurring on board.
